To: All General Motors Dealers

**STOP DELIVERY ORDER**

On April 26, 2019, GM announced the stop delivery of certain 2019 model year Chevrolet Silverado 4500/5500/6500 Medium Duty vehicles in new or used vehicle inventory.

The stop delivery order is still in effect. Do NOT use any other published service procedure to modify vehicles in this recall.

It is a violation of federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification until the defect is remedied with an approved GM procedure.

GM is developing a final repair that will restore the functionality of the engine-block heater.
