RE: Mirage G4 SRS Warning Lamp Illumination Safety Recall Campaign - Renotification  
TIN NO. TIN-19-SR-001

.....

**AFFECTED VEHICLES:** Certain 2017-2018 Mirage G4 vehicles

**PURPOSE**

Safety Recall Campaign SR-19-001 was issued in May 2019 on certain 2017 – 2018 Mirage G4 vehicles built from March 24, 2016 to November 28, 2017, for potential SRS Warning Lamp Illumination.

**Owners of affected vehicles were mailed Renotification Letters requesting they contact their local Authorized Mitsubishi dealership to schedule an appointment to have this recall performed.**

**Dealers must review the Warranty Superscreen to confirm if any vehicles in their new or used vehicle inventories are affected, and conduct this campaign prior to delivering them.** When checking for applicability of this campaign (C1901R), please check for any other open campaigns. Always obtain the customer's approval before completing a campaign on a customer owned vehicle.

***IMPORTANT***

**Affected new or used inventory vehicles must be repaired before the vehicle is sold/delivered. Dealers must check their inventory vehicles' VINs on the Warranty Superscreen to verify whether the vehicle is involved in this recall campaign. It is a violation of Federal law for a dealer to sell/deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied.**
