- 2. Audi Dealer Inventory Assistance Programs:** Audi Q5 vehicles in dealer inventory that are impacted by the recall are eligible to receive monthly Inventory Assistance payments (SQ5 excluded). This assistance offsets any costs related to storage, maintenance, and depreciation. Payments will be issued after each thirty (30) day period where vehicles have been frozen.

**3. Audi Courtesy Vehicle Support:** Audi Dealers will not be charged a monthly fee for grounded Audi Q5 Courtesy Vehicle service loaners administered by Audi Financial Services (AFS) and impacted by the recall. **These vehicles must be grounded and in dealer inventory to qualify.** There is no action required on the part of the dealer. These vehicles **may not** be used until the remedy parts are available.

- The amounts listed in this program are designed to support dealer operating costs while inventory is frozen for retail sale.
- Vehicles acquired from an outside source (wholesale, auction, etc.) after June 26, 2019 are **excluded** from this program.

- Dealership will be paid via EFT following submission and verification of all required documentation under this program.
- Audi will validate each submitted VIN against their own internal records to confirm eligibility and reserves the right to audit a Dealer’s inventory to ensure that only affected vehicles are being claimed. If determined a vehicle was not eligible under the terms of the program, the Dealer will be charged back for any transaction found to be ineligible.
- This program is **NOT** compatible with any other Dealer Inventory Assistance Programs.
- Audi’s decisions are final in all matters relating to this incentive program. Audi has the right to amend or cancel this program at any time for any reason.
