

Safety Recall: 19V-673

Pleasure-Way Industries, Ltd.

September 2019

IMPORTANT SAFETY RECALL

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Pleasure-Way has decided that a defect which relates to motor vehicle safety exists in certain 2018 – 2020 Pleasure-Way Motor Homes equipped with a Fiamma F65 Eagle or F45 Eagle awning.

Reason for this recall Wiring for the LED lighting installed in Eagle awnings for Pleasure-Way has been found to interfere with the lead bar end cap, and can prevent it from making contact with the micro-switch that disengages power to the awning motor. Failure to disengage power can cause the motor to continue to operate, even after the awning is fully closed, and overtime break the internal winch.

The possibility also exists that the awning could open when the vehicle is in motion, possibly resulting in the awning an object or another moving vehicle. This could result in a crash.

Recall Remedy Replace the original winch with a newly designed version and fuse for the motor assembly.

What should you do? Our records show the following units may be affected by this recall and are currently part of the inventory at your Dealership. The Recall Remedy must be completed on these units **prior** to customer delivery. Please contact the Fiamma Customer Support Team at 407-602-1099 to verify your units in stock and be shipped the necessary Repair Kits.
