Dear Freightliner Sprinter Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Vans USA has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2014 Freightliner Sprinter vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

Your passenger-side airbag is affected by this recall based on the defect decision of TK Holdings, Inc. (“Takata”). Under certain circumstances during a crash that necessitates frontal airbag deployment, the defect in your passenger-side airbag inflator may cause the inflator housing to rupture. **A passenger-side inflator rupture during deployment could result in metal fragments striking the front passenger or other occupants, possibly causing serious injury or death.**

What will your DEALER DO?

An authorized Freightliner Sprinter dealer will replace the passenger-side airbag module. **This service will be provided free of charge.** While the minimum repair time is approximately **1 hour**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Freightliner dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time. You will not be charged for other service or repairs unless so requested.

Schedule an appointment immediately at your preferred authorized Freightliner Sprinter Dealer. See www.freightlinersprinterusa.com/freightliner/owners-resources/recall for the Dealer Locator. **Please mention you are scheduling an appointment to replace the Takata passenger-side airbag module under Recall Campaign #2018110007.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

We encourage you to sign up for recall alerts at www.nhtsa.gov/alerts. In the event that you are no longer the vehicle owner, or have had a change of address, please complete the reverse side and return the updated information in the enclosed envelope.
