IMPORTANT VOLUNTARY SAFETY RECALL

This notice applies to your vehicle VIN:

XXXXXXXXXXXXXXXXXXXX

February 2019

NHTSA Recall# 19V036

Voluntary Safety Recall: KYMCO Like 200i, Potential leaking from fuel line connection.

Dear **Customer name here,**

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

What is the reason for this notice?

Kwang Yang Motor Co., Ltd. (KYMCO) is voluntarily recalling select 2018 model year “Like 200i” units. These units have a potential for leakage from the high-pressure fuel line due to loosening of the fuel line clamp after extensive operation resulting in a potential fire.

What your Dealer will do.

Your KYMCO Dealer will inspect the torque for the clamping point and repair if necessary, free of charge.

What you should do.

You must cease operation of this vehicle immediately and schedule an appointment for the repair of your vehicle with an authorized KYMCO dealer as soon as possible. If you are not able to visit the dealer you purchased unit from, please go to www.kymcousa.com and click on “Dealer Locator” to locate your nearest dealer. If you need further assistance, please see “Additional contact information” on page 2. The repairs for this unit will require a time of thirty (30) minutes.
