IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: AB1C23DE4F5678901

Dear Volvo Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Volvo Car USA LLC (Volvo) on behalf of Volvo Car Group, has decided that a defect which relates to motor vehicle safety exists in certain model year 2018 – 2019 XC60 vehicles equipped with a Power Operated Tailgate.

The reason for Recall R89910:

Volvo Cars investigations have identified that the tailgate lifting arms under certain conditions and cold temperatures may freeze. If this would occur, it may lead to noise or loss of function when operating the tailgate in freezing conditions, with risk of separation of the tailgate lifting arms.

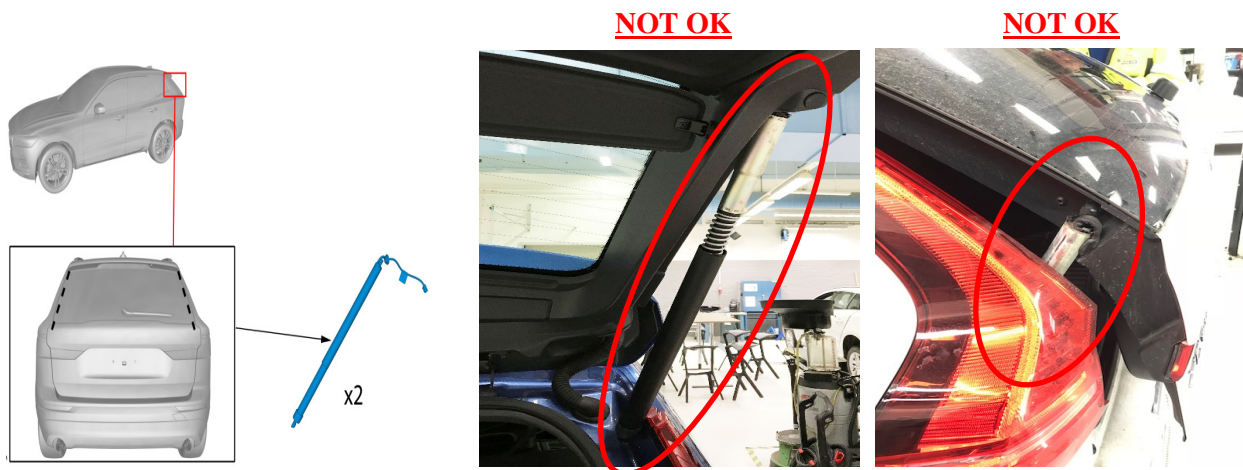

In certain cases this may result in complete separation of tailgate lifting arms, with the spring detaching and projecting in a rearward direction with significant force resulting in the risk of personal injury.

Your authorized Volvo retailer will replace the tailgate lifting arms with an improved design part **at no cost to you.**

What you need to do:

Please contact your authorized Volvo retailer for an appointment to complete this recall **at no cost to you.** This recall repair can take up to 1.0 hour to complete. **However, the time your Volvo retailer requires to service your vehicle may be slightly longer depending on the vehicle.**
