See enclosed VIN list.

Subject: ICU3S Shift Position Display

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

On certain vehicles, the gear position indicator light on the cluster may not match the gear shift lever position. The display can indicate 'N' when the shifter is set to 'D' or 'R,' vehicles may move while shifter is set to 'D' or 'R,' however the cluster display will remain 'N,' potentially leading to an increased risk of injury or crash.
