IMPORTANT SAFETY RECALL See enclosed VIN list

Subject: TBB Ford Minotour Wheelchair Lifts

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Thomas Built Buses Minotour school buses built on a Ford chassis and manufactured April 4, 2015, through June 14, 2015, with an optional wheelchair lift.

On certain buses equipped with a specific wheelchair lift option, the interlock may not prevent the wheelchair lift from operating when the parking brake is released after the key is turned off. If an operator improperly operates the lift in this condition, the vehicle could move, increasing the risk of personal injury.

The wheelchair lift wiring harness will be inspected and modified as needed to ensure correct operation.

This is the second letter regarding this subject. The repair is now available. **To arrange for repairs, you should contact your local Thomas Built Buses dealer immediately.** The repair should take X to X hours, depending on the work needed, and will be performed at no charge to you.
