IMPORTANT SAFETY RECALL
THIS NOTICE APPLIES TO YOUR VEHICLE
RECALL 190318REV
NHTSA # 19V224
May 2019

Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group Inc. has decided that a safety defect relating to motor vehicle safety exists in certain model year 2019 Holiday Rambler Admiral Class A motorhomes, manufactured January 30, 2019 through February 28, 2019.

WHAT IS THE PROBLEM?

On motorhomes affected by this recall, the auxiliary batteries, located inside the entry step compartment, were installed with hold-down straps attached with mounting brackets; both the straps and the mounting brackets have metal components and were mounted in a manner that could allow the batteries to make contact between the battery terminals and the hold-down straps and/or their mounting brackets.

If the metal on the battery hold-down strap or the metal hold-down strap mounting bracket contacts the battery terminal, a fire could result, posing the risk of property damage, personal injury or death.

WHAT SHOULD YOU DO?

Please make certain your motorhome is immediately inspected and repaired by contacting an **authorized REV Recreation Group Inc. dealer**.

For assistance locating an **authorized REV Recreation Group servicing dealer**, please call REV Recreation Group Owner Relations toll-free at:

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV RV dealers have been supplied with all of the information needed to enable them to inspect, and if necessary, properly secure the auxiliary batteries inside the entry step compartment.

The repair should take approximately one hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

When you deliver your motorhome for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact REV Recreation Group Owner Relations at (800) 509-3417.
