**This notice applies to your vehicle:** <VIN>

**NHTSA:** 19V241

**Subject: Compliance Recall 01D2 – Tire Information Label  
Certain 2019 Model Year Volkswagen Tiguan Vehicles**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2019 model year Volkswagen Tiguan vehicles fail to conform to Federal Motor Vehicle Safety Standard 110, *Tire Selection and Rims*. Our records show that you are the owner of a vehicle affected by this action.

**What is the issue?** The tire information label on affected vehicles contains incorrect tire dimensions and inflation pressures. Relying on incorrect specifications can lead to erroneous inflation pressure adjustment, or to installing the wrong tire size on the vehicle. Either of these situations can increase the risk of a vehicle crash.

**What will we do?** To correct this noncompliance, your authorized Volkswagen dealer will install the correct tire information label. This work will take just a few minutes to complete and will be performed for you free of charge.

**What should you do?** Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. To set up an appointment online, please visit [www.vw.com/find-a-dealer](http://www.vw.com/find-a-dealer).

**Lease vehicles and address changes** If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

**Can we assist you further?** If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at [www.vw.com/contact](http://www.vw.com/contact) or by calling us at 800-893-5298.
