Your Vehicle Identification Number (VIN): 3C7WRN [REDACTED]

Recall of brake lights manufactured by Whelen Engineering Co. Inc.

Unruh Fire, Inc. values you as a customer and is committed to vehicle quality and safety. Therefore, we are voluntarily recalling your vehicle, a 2018 Dodge with the VIN shown above. A defective brake light may have been installed on your vehicle.

The Issue: The brake light may activate if there is a transient voltage on the brake input line but can be returned to normal operation when a brake input is applied and then removed.

What will Unruh Fire do: Upon request provide a free replacement product and support services.

What should you do: If you believe your truck is affected by the defective brake light please contact Unruh Fire, Inc. at 800-856-7080.

Thank you for your attention to this issue.

Your Unruh Fire Sales Team
