**Subject: NHTSA Recall: 18E-063**

**To: Anarundel County, Maryland**

Dear sir, we are informed that the light sets used on 10 bodies provide to your company are involved in a supplier's recall NHTSA 18E-063, Whelen Lights item number SHASSY

"For the recall population, the brake light may activate if there is a transient voltage on the brake input line (e.g., without further brake input), but can be returned to normal operation when a brake input is applied and then removed."

Replacement sets will be provided for you to replace and return the subject light sets.

Thank you for your patience and assistance in this effort,

Darrin J. Smith

Chief Financial Officer
