

Re: 19V-489

To NHTSA Recalls Management Division:

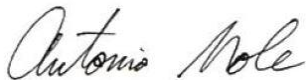

Please be advised that all of the vehicles involved in this recall campaign have been repaired. This campaign impacted a total population of two vehicles – one of the vehicles was owned by a dealer and the other vehicle was located in dealer inventory.

Confirmation of the vehicle and repair date are included in the chart below:

VIN	Campaign Closed Date
WD3PG [REDACTED]	Jul 2, 2019
WD4PG [REDACTED]	Jun 24, 2019

DVUSA will indicate that all vehicles subject to this campaign have been repaired for purposes of recall quarterly reporting.

Thank you,

Antonio Mole
