---

**NHTSA Safety Recall 19V-512**

**THIS NOTICE APPLIES TO YOUR VEHICLE.**

**RE: BODY SERIAL  
CHASSIS SERIAL**

Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Our records indicate that you have purchased a vehicle with the serial number which appears above.

### **REASON FOR THIS RECALL**

Winnebago Motorhomes has determined that a defect related to motor vehicle safety exists on certain 2017 through 2019 Winnebago Forza motor homes. These motor homes were manufactured January 27, 2017 through June 11, 2019.

The basement storage compartment doors may open during transit. If the door opens into a traffic lane, other vehicles could swerve possibly causing property damage, serious injury or death.

### **WHAT WE WILL DO**

Winnebago motorhome dealers will correct your compartment doors by adding a second latch and verifying the catch/latch is in proper adjustment. This will be at no charge to you.

### **WHAT YOU SHOULD DO**

Please contact your Winnebago motorhome dealer immediately to arrange for an appointment. The labor time necessary to perform this correction will be approximately five hours. Please allow additional time for the dealer to process your vehicle.

Winnebago motorhome dealers are best equipped to obtain parts and provide service to ensure your vehicle is corrected as promptly as possible. HOWEVER, if you take your vehicle to the dealer on the agreed date and he does not service this condition on that date or within five days, we recommend you contact Winnebago Motorhomes, Attn.: Customer Care at (641) 585-6939 or (800) 537-1885. If you are still unable to obtain such service without charge to you and within a reasonable time, you may contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, DC 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 [TTY: (800) 424-9153] or go to <http://www.safercar.gov>.
