IMPORTANT SAFETY RECALL

See enclosed VIN list

Subject: TBB SynTec S3B Seat Kneeforms

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Model Year 2015-2020 Thomas Built Buses Minotour, and Saf-T-Liner EFX/HDX model school buses manufactured August 18, 2014, through August 15, 2019, with SynTec S3B or S3C seats.

On certain buses equipped with affected seats, specific areas of the seat back may not meet the requirements of FMVSS 222, part 53.3.2, *School Bus Seating and Crash Protection*. This may increase the risk of injury to occupants in a crash.

Seats will be augmented by installation of additional impact material between the seat back and the back cover to assure compliance with pertinent requirements.

This is the second letter regarding this recall to let you know the repair is now available. **To arrange for repairs, you should contact your local Thomas Built Buses dealer immediately.** The repair may take up to three hours, depending on the number of seats affected, and will be performed at no charge to you.

If you have any questions about this recall, please contact the Warranty Campaigns Department at (800) 547-0712, 7:00 a.m. to 4:00 p.m. Pacific Time, Monday through Friday.
