**Subject: Safety Recall 34J6 - Mechatronic Accumulator Housing**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2013-2015 model year Volkswagen Jetty Hybrid vehicles. Our records show that you are the owner of a vehicle affected by this action.

**What is the issue?** Hairline cracks may develop in the accumulator housing of the transmission (mechatronic unit), leaking and leading to insufficient transmission oil pressure. If this happens, the transmission warning light will illuminate in the instrument panel. If the warning light is ignored and the vehicle is driven, the clutch may not engage. There could be a sudden loss of power to the wheels, potentially leading to a vehicle crash.

**What will we do?** To correct this defect, your authorized Volkswagen dealer will install a mechatronic unit repair kit. This work will take about a day to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

**What should you do?** Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. To set up an appointment online, please visit [www.vw.com/find-a-dealer](http://www.vw.com/find-a-dealer).

**Precautions you should take** Do not ignore the transmission warning light if it comes on. If the light comes on, owners are advised to contact an authorized Volkswagen dealer without delay to have the vehicle inspected. Please refer to the vehicle owner's manual for more information on warning lights.

**Lease vehicles and address changes** If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

**Reimbursement of Expenses** If you have previously paid for repairs relating to the condition described in this letter, please refer to the enclosed form that explains how to request reimbursement.
