

Storm Booster Replacement Seat Pad

4358-7872

1

Starting from the front of the booster seat, pull the pad off the shell and over the armrests.

2

Discard the old pad.

3

Slip the replacement pad over the armrests and around the back of the shell. Pull the pad over the front of the booster seat.

⚠ WARNING: Do not use this booster seat without the seat pad.
Failure to do this can result in serious injury.
