

ATWOOD ON DEMAND WATER HEATER

Bulletin Type:	Safety Recall
Bulletin #:	19V-748
Job Code:	NA
Flat Rate:	NA

Publication Date:	October 2019
Make:	Fifth Wheel
Model:	Solstice Travel Star
Model Year:	2016

Incident:	Atwood, On Demand Water Heater Recall 15E-087 The water flow adjustment on the poppet valve, may have drifted from its original setting, or set incorrect at time of manufacturing. An incorrect setting can allow the water heater to turn on with too little water flow, which could lead to a scald injury.
