WHAT YOU NEED TO KNOW

- **CONDITION** Certain 2003–2008 Model Year Corolla vehicles and certain 2005–2008 Model Year Matrix vehicles: The subject vehicles were repaired under a prior recall by replacing the front passenger airbag assembly or airbag inflator. If this airbag deploys, there is a possibility that the passenger airbag could be damaged. **Such damage could cause the airbag to not properly inflate, and this could increase the risk of occupant injury in the event of a crash.**
- **REMEDY** Any authorized Toyota dealer will replace the front passenger airbag assembly with an improved one **FREE OF CHARGE.**
- **DURATION** The remedy will take approximately one hour. However, depending on the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

CONDICIÓN Los vehículos indicados fueron reparados bajo un llamado a revisión anterior al reemplazar el ensamblaje de la bolsa de aire o el inflador de la bolsa de aire del pasajero delantero. Si esta bolsa de aire se despliega, existe la posibilidad de que la bolsa de aire del pasajero esté dañada. **Tal daño podría hacer que la bolsa de aire no se infle correctamente, lo que podría aumentar el riesgo de lesiones para los ocupantes en caso de un choque.** Llama al **(833) 315-3922** para programar tu reparación **GRATUITA.**

SCHEDULE YOUR FREE REPAIR TODAY

YOUR LOCAL DEALER

Toyota of Downtown LA

(833) 315-3922
