NHTSA 19V-781

May 2020

This notice applies to your vehicle: 20xx Mazda Modelname VIN _____

Dear Mazda Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mazda Motor Corporation has decided that a defect which relates to motor vehicle safety exists in 2003-2008 Mazda6, 2004-2005 MPV, 2006-2007 Mazdaspeed6 and 2004 RX-8 vehicles. A recall notification was sent in December 2019 to you or the prior registered owner. Your vehicle is still unrepaired and included in this Safety Recall. Please read this letter and make an appointment when possible at your local dealer who may also have alternative repair options available. We advise you to review Mazda's statement on COVID-19 for the latest information (link: <https://www.mazdausa.com/covid-19-news>). If you need assistance in getting your vehicle repaired, please contact the Customer Experience Center at (800) 222-5500, option #6 or email at MazdaCustomerExperience@mazdausa.com.

What is the problem?

The defect in these recalled vehicles could result in serious injury or death. The inflator which deploys the air bag, could explode resulting in sharp metal fragments striking the passenger or other vehicle occupants in the event of a crash that causes the air bag to deploy. This condition is more likely to occur if the vehicle had continued exposure to high levels of absolute humidity.

What will Mazda do?

Protect What Is Important To You

Your Mazda dealer will replace the frontal passenger side air bag inflator with a permanent remedy inflator, **FREE OF CHARGE**. The repair should take less than one hour to complete; however, it may take longer. Making an appointment at your Mazda dealership helps to minimize the wait time and inconvenience this recall may cause.

Mazda will provide alternate transportation free of charge when your vehicle is at an authorized Mazda dealership for a recall repair. To be eligible for alternate transportation, you must schedule an appointment with any authorized Mazda dealer so that they can discuss and accommodate your needs.
