Re: Backlite Assemblies

Dear Ladies and Gentlemen:

Vitro Automotriz, S.A. de C.V. ("Vitro") recently has become aware of a potential issue affecting the all or some of the Backlite products manufactured at our Auto Replacement Glass Manufacturing Facility in Garcia, N.L. Mexico, identified on Exhibit A hereto. Vitro is investigating the matter, and once it has made an assessment, we will provide further instruction. In the interim, while Vitro conducts its investigation and until you receive further instruction from us, we request that you immediately stop selling the Backlite products identified on Exhibit A. Please contact me should you have any questions.

We really appreciate your comprehension on this matter, and we remain committed to deliver to our customers, products with the highest quality and safety standards of our industry.

Sincerely,

Vitro Automotive Glass, LLC
