[REDACTED ADDRESS]

- A safety defect exists in your vehicle.
- Remedy parts are not yet available for your vehicle.
- We will contact you again once parts are available.

Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz USA has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 2010–2017 C-Class, E-Class Coupe/Cabrio, GLK-Class, and SLS-Class Mercedes-Benz vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

The passenger-side airbag in your vehicle is affected by this recall based on the defect decision of TK Holdings, Inc. (“Takata”). Under certain circumstances during a crash that necessitates frontal airbag deployment, the defect in your passenger-side airbag inflator may cause the airbag to explode. **A passenger-side inflator explosion during deployment could result in sharp metal fragments striking the front passenger or other occupants, possibly causing serious injury or death.**

What will MBUSA do?

We want to assure you that Mercedes-Benz USA, through our parent company Daimler AG, is taking all necessary measures to remedy this situation for you. We are also working closely with the National Highway Traffic Safety Administration (“NHTSA”) and airbag suppliers to provide a remedy as soon as possible, and to prioritize repairs according to risk factors identified through testing. **Unfortunately, replacement parts are not yet available for your vehicle, but we will contact you again once parts become available. You may visit www.mbusa.com/recall and enter your vehicle model, Model Year, and State your vehicle is registered to check when remedy parts will be available.**

What should YOU do?

To enter your most recent contact information from your smartphone, scan the QR code to the left.

As soon as a suitable replacement part is available for your vehicle, we will send another letter notifying you to bring your vehicle to your local Authorized Mercedes-Benz dealer to repair your vehicle **free of charge**. In the meantime, **please visit www.MBUSA.com/mercedes/recall and enter your 17 digit Vehicle Identification Number (“VIN”) in the VIN Look-up tool, then enter your most recent contact information.** We also encourage you to sign up for recall alerts at www.nhtsa.gov/alerts.
