RECALL NOTICE

IMPORTANT SAFETY RECALL

Interim Notification

June 10, 2019

Subject: Safety Recall 19PBB - Model 520 Power Distribution Harness May Overheat
NHTSA Recall number NHTSA Recall 19V282
The VINS are listed below or on the back of this notice

Dear Peterbilt Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Peterbilt Motors Company has determined that a defect, which relates to motor vehicle safety, exists in certain model year 2017, 2018, 2019 and 2020 Model 520 vehicles manufactured between October 17, 2016 and March 04, 2019 with left hand or right hand single steer Power Distribution Center (PDC) harnesses. The power wire to the PDC may be inadequate to handle the electrical current at full draw. This can cause the wire to overheat and potentially melt the cab power harness connector.

The melting of the cab power harness could cause a loss of power to the cab and engine, which may result in the engine shutting down. A sudden loss of engine power could increase the risk of a crash.

The problem is ...	The power distribution center harness may be inadequate to handle the electrical current at full draw.
What your dealer will do ...	Dealers will remove the PDC harness and replace it with a larger gauge harness when the parts become available.
What you must do ...	Contact your Peterbilt Dealer to schedule an appointment for a repair when you receive notification that parts have become available.

Peterbilt has initiated a recall to update the PDC harness. **Parts are currently not available to correct this condition.** However, Peterbilt is required to notify customers of the existence of the identified safety defect. **You will be notified by mail when the parts become available.**

If you require further information about this recall, reimbursement of a pre-notification remedy associated with this recall or experience any difficulty in making arrangements for this repair, please contact: Peterbilt Motors Company, 1700 Woodbrook St, Denton, TX 76205, Attn: Customer Services Department, phone 940-591-4220.

If you conclude that Peterbilt Motors Company has not enabled you to remedy this noncompliance in reasonable time and without charge, you may submit a complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us of the new owner if you know their name.

We apologize for any inconvenience this preventive procedure may cause and thank you for your participation in helping Peterbilt provide the highest levels of customer satisfaction and service expertise.

We value your business and appreciate your ongoing loyalty to Peterbilt and its dealer network. Industry-leading quality, performance and reliability are hallmarks of Peterbilt products, and we thank you for making Peterbilt your truck of choice.

Sincerely,

Michelle Ponsonby
Director of Customer Service
Peterbilt Motors Company
