## IMPORTANT SAFETY RECALL

June 28, 2019

Dear Suzuki Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Suzuki Motor Corporation has decided that a defect which relates to motor vehicle safety exists in certain 2010 - 2013 Suzuki Kizashi vehicles. According to our records, you own one of the vehicles affected by this recall.

#### What is the problem?

The front passenger seat occupant classification system (OCS) may misclassify adult occupants as child occupants and suppress the front air bag due to the seating posture and/or position of the adult occupant. In a crash necessitating air bag deployment, the front air bag may not deploy with an adult occupant in the front passenger seat, increasing the risk of injury to the adult occupant.

### What is Suzuki Motor of America, Inc. (Suzuki) doing to solve the problem?

Suzuki is analyzing this issue and is working to develop a repair procedure and the necessary repair parts. Suzuki will mail you a second notification letter in the near future when repair procedures and repair parts are available.

Repairs will be performed by Suzuki Service Providers at no cost to you for parts and labor.

#### What you should do:

As described in the **Front Passenger Sensing System** section of the Owner's Manual, if an adult-sized individual is sitting in the front passenger seat and the PASS AIR BAG OFF (Passenger Airbag Off) indicator turns on, it could be because the individual is not sitting properly in the seat. If this happens, have the passenger unfasten the seat belt, sit upright in the center of the seat with the seat back nearly vertical and his or her legs outstretched. Then refasten the seat belt.

This notice was mailed to you according to the latest information that is available to us. If you no longer own the vehicle described in this notice, please complete and return the attached Change of Address/Ownership card to Suzuki, and forward this recall information to the current owner (if known).

Federal regulations require that any vehicle lessor receiving this campaign notice must forward a copy of this notice to the lessee within ten days.
