# IMPORTANT SAFETY RECALL

This notice applies to your vehicle, **VIN:** \_\_\_\_\_

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Toyota has decided that a defect which relates to motor vehicle safety exists in certain 2005 to 2008 model year Pontiac Vibe vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## IMPORTANT

- Your vehicle is involved in GM safety recall N192273760.

### Why is your vehicle being recalled?

According to Toyota, the subject vehicles are equipped with a front passenger air bag assembly containing an inflator, manufactured by an alternative supplier, installed as a replacement under a prior recall. There is a possibility that the air bag may not unfold as designed during inflation under high temperature conditions, resulting in air bag internal pressure rising differently than expected. Under such conditions, a portion of the air bag material could be torn during deployment, or the bag plate (which mounts the air bag to the air bag assembly case) could be damaged. In either instance, such damage during deployment could cause the air bag not to properly inflate, and this could increase the risk of occupant injury in the event of a crash.

### What will we do?

**Parts to repair your vehicle are not currently available**, but when parts are available, your GM dealer will replace the front passenger air bag assembly with an improved one. This service will be performed for you at **no charge**.

We are working as quickly as possible to correct this condition. When parts are available, we will send you another letter asking you to take your vehicle to your GM dealer to have your vehicle serviced. You can also check the status of this recall at: <https://my.gm.com/recalls>. If you have already paid for repairs for this condition, you may submit those charges using the reimbursement request form that will be provided with the next letter.
