

SAFETY RECALL

Dorel China America, Inc. (DCA) announces a voluntary safety recall of certain babidéal™ Storm booster car seats

The label attached to the fabric cover may not have the required safety warnings and instructions. Without the safety warnings and instructions, caregivers may not know the risks or how to properly use the car seat, increasing the risk of an injury in the event of a crash.

Model included in the recall is BC901BPXL with date of manufacture 2/28/2019, sold exclusively at Family Dollar Stores.

DCA will notify the registered owners and will provide a replacement fabric cover that has the compliant warning label in place, free of charge. The recall is expected to begin December 9, 2019. Owners may contact DCA customer service at 1-877-657-9546 or text 1-812-373-6673.
