

**Vehicle RECALL Reminder**  
**Your vehicle is subject to a safety recall**

Your vehicle's rear-view camera display settings can be adjusted so that the image is no longer visible, even when the vehicle is in reverse. This could increase the risk of an accident. Nissan notified owners of this recall beginning in September 2019.

Please contact a Nissan Dealer now to receive the free recall repair (recall ID R1911).

Thank you for being a Nissan Customer.
