

A Message from Tesla Service

April 17, 2020, 6:49 PM

Our records indicate there is an open safety recall for your car.

To complete this repair, schedule an appointment with Mobile Service using the Tesla app by selecting 'Schedule Service', 'Other' and entering the note, 'Open Recall Repair'. For touchless service, ensure your car is parked in an accessible location — you'll receive a notification once the technician has arrived and started work. For more details on any open recall for your car, visit our recall lookup page and enter your VIN.
