**Subject:** Potential Fracture of 2" Shank

Dear Mr. Engel:

This letter serves to acknowledge Curt Manufacturing LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

CURT/SECURELATCH PINTLE MOUNT/9999

**Mfr's Report Date:** December 7, 2020

**NHTSA Campaign Number:** 20E-089

**Components:**

EQUIPMENT

**Potential Number of Units Affected:** 761

**Problem Description:**

Curt Manufacturing LLC (Curt Manufacturing) is recalling certain Securelatch Adjustable Pintle Mounts, part number 48543. The 2" shank may fracture while hauling less weight than the advertised capacity.

**Consequence:**

If the pintle mount fractures while being used, it can increase the risk of a crash.

**Remedy:**

Curt Manufacturing will notify owners, and dealers will replace the pintle mount with a different style product, free of charge, or provide reimbursement. The recall is expected to begin in December 2020. Owners may contact Curt Manufacturing customer service at 1-800-798-0813.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kristin Lepper who may be reached by phone at 202-366-5227, or by email at [kristin.lepper@dot.gov](mailto:kristin.lepper@dot.gov). We look forward to working with you.

Sincerely,
