Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2020 Shockwave Toyhauler SHT18FS-CA trailers. The Federal Placard indicates the incorrect tire pressure. Forest River will notify owners and will provide a corrected Federal Placard, free of charge. The recall is expected to begin March 2, 2020. Owners may contact Forest River customer service at 1-909-873-3777. Forest River's number for this recall is 19-1126.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
