Subject: Missing Seat Belt Reinforcing Brackets/FMVSS 210

Dear Ms. Tyler:

This letter serves to acknowledge Thor Motor Coach's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

THOR/SEQUENCE/2020
THOR MOTOR COACH/TELLARO/2020

Mfr's Report Date: March 20, 2020

NHTSA Campaign Number: 20V-169

Components:

SEAT BELTS

Potential Number of Units Affected: 25

Problem Description:

Thor Motor Coach (TMC) is recalling certain 2020 Tellaro 20AT and Sequence 20A motorhomes. The dinette/booth seat belt reinforcing brackets may be missing. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 210, "Seat Belt Assembly Anchorages."

Consequence:

In the event of a crash, without the seat belt reinforcing brackets, the seat belt anchorages could fail, increasing the risk of injury to those seat occupants.

Remedy:

TMC will notify owners, and dealers will install the missing brackets, free of charge. The recall is expected to begin May 19, 2020. Owners may contact TMC customer service at 1-877-855-2867. TMC's number for this recall is RC000187.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

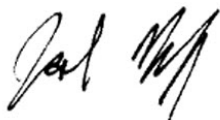

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kristin Lepper who may be reached by phone at 202-366-5227, or by email at kristin.lepper@dot.gov. We look forward to working with you.
