**Subject:** Incorrectly Labeled Federal Identification Tag

Dear Mr. Carolus:

This letter serves to acknowledge Keystone RV Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

CROSSROADS/HAMPTON/2018-2020

**Mfr's Report Date:** April 3, 2020

**NHTSA Campaign Number:** 20V-194

**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 94

**Problem Description:**

Keystone RV Company (Keystone) is recalling certain 2018-2020 Crossroads Hampton 371FKL recreational trailers. The Federal identification Tag may incorrectly indicate the tire pressure as 6 PSI when the correct tire pressure is actually 80 PSI. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

**Consequence:**

An incorrect label may lead to unintentionally underinflating the tires, increasing the risk of a crash.

**Remedy:**

Keystone will notify owners and will replace the Federal Identification Tag, free of charge. The recall is expected to begin June 1, 2020. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 20-376.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

NHTSA has reviewed and approved your draft owner letter. Make sure to upload a final copy with the mailing dates once mailing begins.

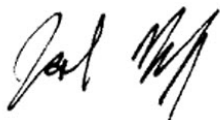

Please be reminded of the following requirements:

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kristin Lepper who may be reached by phone at 202-366-5227, or by email at [kristin.lepper@dot.gov](mailto:kristin.lepper@dot.gov). We look forward to working with you.

Sincerely,
