**Subject:** Tire and Rim Label Information Incorrect/FMVSS 110

Dear Mr. Mihalick:

This letter serves to acknowledge KZRV, L.P.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

KZRV/ESCAPE/2018

**Mfr's Report Date:** May 22, 2020

**NHTSA Campaign Number:** 20V-296

**Components:**

EQUIPMENT:OTHER:LABELS  
TIRES

**Potential Number of Units Affected:** 16

**Problem Description:**

KZRV, L.P. (KZRV) is recalling certain 2018 Escape recreational trailers. The Federal Identification Tag and Tire Inflation Pressure Label indicates an incorrect Gross Axle Weight Rating (GAWR), and an incorrect tire and rim size with incorrect tire inflation pressure, which can result in the tires being overinflated. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

**Consequence:**

Overinflated tires may affecting vehicle handling, increasing the risk of a crash.

**Remedy:**

KZRV will mail corrected labels to owners with instructions for their application, free of charge. This recall is expected to begin June 30, 2020. Owners may contact KZRV customer service at 1-800-768-4016, extension 154 or 153. KZRV's number for this recall is KZ-2020-02.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received KZRV's proposed owner notification letter and it was approved with NHTSA edits on May 26, 2020. Once changes are made and mailing begins please upload a final copy with mailing dates.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kristin Lepper who may be reached by phone at 202-366-5227, or by email at [kristin.lepper@dot.gov](mailto:kristin.lepper@dot.gov). We look forward to working with you.

Sincerely,
