Subject: Trim Cover May Detach and Block Brake Pedal

Dear David Parkman:

This letter serves to acknowledge Newell Coach Corp.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NEWELL/P50/2020-2021

Mfr's Report Date: June 23, 2020

NHTSA Campaign Number: 20V-367

Components:

SERVICE BRAKES, HYDRAULIC:PEDALS AND LINKAGES

Potential Number of Units Affected: 42

Problem Description:

Newell Coach Corp. (Newell) is recalling certain 2020-2021 P50 motor coaches. The decorative cover for the center console column may be knocked loose by the driver's foot, allowing the piece to become lodged under the brake pedal.

Consequence:

If the cover piece becomes lodged under the brake pedal, the ability to stop the coach may be impacted, increasing the risk of a crash.

Remedy:

Newell will notify owners and request the owners remove and discard the decorative cover. Dealers will install a replacement apron cover, free of charge. This recall is expected to begin July 13, 2020. Owners may contact Newell customer service at 1-888-363-9355. Newell's number for this recall is 124.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Newell's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

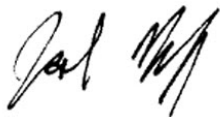

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,
