Subject: Front Trim Strip May Be Missing from Refrigerator

Dear Mr. Pullin:

This letter serves to acknowledge Gulf Stream Coach, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GULF STREAM/ENLIGHTEN/2020

Mfr's Report Date: September 2, 2020

NHTSA Campaign Number: 20V-531

Components:

EQUIPMENT:APPLIANCE:REFRIGERATOR

Potential Number of Units Affected: 32

Problem Description:

Gulf Stream Coach, Inc. (Gulf Stream) is recalling certain 2020 Enlighten 25BH and 248BH travel trailers. The lower front trim strip may be missing from the refrigerator. The front strip is required to make the refrigerator cabinet seal complete, and provides complete isolation of the combustion system from the travel trailer interior.

Consequence:

Without the front trim strip, carbon monoxide or flammable unburned Liquid Petroleum (LP) gases may migrate into the living quarters of the travel trailer, increasing the risk of fire or carbon monoxide poisoning causing occupant injury.

Remedy:

Gulf Stream will notify owners, and dealers will inspect the trailers and verify that the seal at the bottom of the refrigerator cabinet is installed properly, free of charge. The recall is expected to begin in September 2020. Owners may contact Gulf Stream customer service at 1-800-289-8787. Gulf Stream's number for this recall is 08282020.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Gulf Stream's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
