**Mfr's Report Date:** October 1, 2020

**NHTSA Campaign Number:** 20V-602

**Components:**

EQUIPMENT:OTHER:LABELS  
TIRES

**Potential Number of Units Affected:** 3

**Problem Description:**

Jayco, Inc. (Jayco) is recalling certain 2021 Jay Feather X213 "J3" Baja type recreational trailers. The tire size and Gross Axle Weight Rating (GAWR) information on the tire and certification labels may be incorrect, possibly resulting in the vehicle being overloaded. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

**Consequence:**

Incorrect tire and GAWR information may cause the vehicle to be overloaded, increasing the risk of a crash.

**Remedy:**

Jayco mailed the corrected labels to owners. Owners have the option to replace the labels or have the repair performed at a dealership, free of charge. The recall began October 6, 2020. Owners may contact Jayco customer service at 1-617-776-0344. Jayco's number for this recall is 9901523.
