Dear Mr. Forghieri:

This letter serves to acknowledge Lamborghini (Automobili Lamborghini)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. Makes/Models/Model Years:

LAMBORGHINI/AVENTADOR SVJ COUPE/2020
LAMBORGHINI/AVENTADOR SVJ ROADSTER/2020

Mfr's Report Date: October 7, 2020

NHTSA Campaign Number: 20V-618

Components:

SUSPENSION:FRONT:CONTROL ARM

Potential Number of Units Affected: 3

Problem Description:

Lamborghini (Automobili Lamborghini) is recalling certain 2020 Aventador SVJ Coupe and Aventador SVJ Roadster vehicles. Due to potentially damaged aluminum frame threads, the front frame suspension arm anchor bolt may have been insufficiently tightened.

Consequence:

The loose suspension arm anchor bolts may cause the suspension arm joint to collapse, resulting in a loss of control of the vehicle and increasing the risk of injury or a crash.

Remedy:

All of the affected vehicles are in dealer possession and owner letters do not need to be mailed. Dealers will inspect and replace the front frame, free of charge. The recall is expected to begin in October 2020. Owners may contact Lamborghini customer service at 1-866-681-6276. Lamborghini's number for this recall is L73X-R.03.20.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).
