Chronology :

We received a recall letter from Freedman Seating 20E-004

Description of Remedy :

Description of Remedy Program : The dealers and owners will be directed via a recall letter to inspect the specific recall population in their fleet. Freedman has created a video instruction that will be used to do this, If defective seat belt retractors are found Freedman will replace them. Freedman will reimburse the cost of repairs including parts and labor. The reimbursement will be \$25 per belt. After inspections are completed a form must be sent in to Freedman Seating for quarterly reporting purposes. The quarterly reporting for this recall will be completed by Freedman Seating since they are collecting the inspection/repair forms from the dealers and end users.

How Remedy Component Differs from Recalled Component : I am unaware of any physical differences since Freedman is replacing the defective retractors.

Identify How/When Recall Condition was Corrected in Production : Freedman stopped using the suspect defective seat belt retractors in January 2020
