NHTSA Recall No.: 20T006

IMPORTANT SAFETY RECALL

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Compañía Hulera Tornel, S.A. de C.V., ("Tornel") has decided that a defect which relates to motor vehicle safety exists in certain light truck radial tires. Tornel has initiated a voluntary recall of these tires. These tires were sold in the replacement market beginning in July 2016. You are receiving this letter because Tornel records indicate that you have purchased tires that may be the subject of this safety recall. Further, Tornel is required to advise you of certain tire dealer obligations, which are described later in this letter.

REASON FOR THE RECALL

The subject tires may not comply with the endurance test requirements as prescribed under Federal Motor Vehicle Safety Standards. In affected tires, The affected tires may be at risk of tread block separation between the belt and tread, which may lead to partial chunking of tread blocks. This detached tread block can cause loss of performance. If this warning is not heeded, a vehicle crash can occur
