Subject	V-SMART New Update for NADI Driver Inflator Replacement						

American Honda will release an updated version 1.1.20p on February 26, 2021. **For the update to be successful, the V-SMART devices must be charging Thursday evening, connected to Wi-Fi, and left ON overnight. This update is required.**

Please follow the Service Bulletin and V-SMART on-screen instructions when completing repairs.

Please call the following support lines for questions.

- Warranty Dealer Support for Warranty Claims: (310) 783-3240
- iN Support for V-SMART Device: (800) 245-4343

Thank you for your immediate attention.
