Subject: Notification of Recall 20V-040
Attachments: PDF_20V-040 Dealer Notification Letter_All American_10.1.20.pdf

Dear All American Fire,

Please review the attached letter notifying you of the NHTSA Campaign ID 20V-040 for the Reyco Granning suspension recall. You would have received previous notification earlier this year, however, this is our official letter for the outstanding VINs yet to be remedied. Please read the attached letter and feel free to reach out if you have questions.

Thank you,
Lisa Sampson
