Re: VIN Inquiry Check for 2020 Odyssey Safety Recall SB 20-012

If you receive this *iN* message, you may have and/or be receiving the vehicles that are affected by this request. Please check to see if you have VINs on the list

American Honda (AHM) discovered that Open Campaign information on certain 2020 Odyssey might have not been available in VIN Inquiry when the vehicle arrived at your dealership.

Below is a link to a list of dealer numbers and Vehicle Identification Numbers (VIN). Please re-check VIN Inquiry for Open Campaign status of any VIN(s) listed beside your dealer number.
