Subject	Part Stop Sale / Return Request: 18-20 Odyssey Third-Row Accessory Power Outlet						

On February 6, 2020, American Honda notified NHTSA of a stop sale and safety recall for certain 2018-2020 Odyssey vehicles due to potentially damaged power outlet wiring harnesses in the third-row seating area that could cause a fire.

To ensure proper repairs, American Honda stopped the sales of all pre counter-measured 2018-2020 Odyssey (EX-L and higher grades) Floor Wire Harnesses and Left Rear Drain Tubes. Effective immediately all dealers that have inventory of the below parts are asked to stop installing and return parts back to American Honda.

Stop Sale and Return Request Affected Part Numbers:

Old Wire Harnesses:

32107-THR-A21	32107-THR-A42	32107-THR-AC0	32107-THR-AM0
32107-THR-A22	32107-THR-A43	32107-THR-AD0	32107-THR-AN0
32107-THR-A31	32107-THR-A52	32107-THR-AE0	32107-THR-AP0
32107-THR-A32	32107-THR-A53	32107-THR-AF0	32107-THR-AR0

Left Rear Drain Tube:

70065-THR-A00

If you have any of the above parts in stock, please email ahm_inflator_swap@ahm.honda.com requesting return and an OAR return request will be entered on your behalf.

Please include the following in the email:

- Your Dealer number
- Part number
- Part Quantity
- Shipper number if available

New replacement harnesses and left rear drain tubes have an updated part number and are superseded in American Honda system. American Honda expects to start receiving these new parts later this month.

Thank you,

American Honda Motor Co., Inc.
