Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Thor Motor Coach (TMC) has decided that a safety defect exists in certain TMC motorhomes based upon notification by Daimler Trucks North America LLC (DTNA) that a defect which relates to motor vehicle safety exists in certain Freightliner chassis that were used to manufacture your TMC motorhome. DTNA was issued recall 20V-127 by the National Highway and Safety Administration (NHTSA) to remedy this defect. DTNA's recall number is FL845. To assist DTNA and NHTSA in identifying the final vehicles manufactured, TMC is also conducting a safety recall.

It has been decided that certain TMC motorhomes subject to this recall campaign have insufficiently torqued caliper mounting bolts that may not provide adequate clamping force between the brake caliper and the brake anchor plate, potentially resulting in reduced brake effectiveness, which could increase the risk of a crash.

Owners should be directed to take their motorhome to an authorized Freightliner dealer to have the repair completed.

If the referenced unit on this letter has been retail sold you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

Please find attached a copy of the retail notification letter. Owners were instructed to contact DTNA at 1-800-547-0712 to have their vehicles serviced. If you have questions concerning this recall, you can also contact DTNA at that same number. If you still have questions, please contact the **TMC Warranty/Service Department** by mail at TMC, P.O. Box 1486, Elkhart, IN 46515-1486, **or** by phone at 877-500-1020.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

Hanah Klodzinski
Recall Compliance Coordinator
