Date: May 15, 2020

Subject: N202303150 - Safety Recall
Chassis Harness Improperly Routed

Models: 2018-2020 Chevrolet 6500XD Low Cab Forward

To: All General Motors Medium Duty Dealers

General Motors is releasing Safety Recall N202303150 today. The total number of U.S. vehicles involved is approximately 318. Please see the attached bulletin for details.

Vehicles involved in this recall were placed on stop delivery April 03, 2020. Once the service procedure contained in the bulletin has been performed on the vehicle, the vehicle is released from stop delivery and the vehicle can be delivered to the customer.

Question and Answer Document (Q&A)

Attached to this message you will find a document that addresses the ten most likely questions customers may have regarding this Safety Recall. Please use this information as an aid to confidently answer customer concerns.

Working Capital Assistance Program (WCAP) Eligibility

Vehicles which were in dealer inventory at the time of this bulletin release were eligible for WCA. Please refer to the attached bulletin and GlobalConnect Message GCUS-9-7345 for additional information.

Customer Letter Mailing

The customer letter mailing will begin on May 27, 2020.

Global Warranty Management (GWM)

The Required Field Action section on the Investigate Vehicle History (IVH) screen will be updated May 16, 2020 or sooner. A list of involved vehicles in dealer new inventory is attached to this message. Please hold all warranty transactions until IVH has been updated.
