Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Thor Motor Coach (TMC) has decided that a safety defect exists in certain TMC motorhomes based upon notification by Ford Motor Company that a defect which relates to motor vehicle safety exists in certain Ford chassis that were used to manufacture your TMC motorhome. Ford's recall number is 20S13. To assist Ford in identifying the final vehicles manufactured, TMC is also conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

On certain TMC motorhomes subject to this recall campaign, there may be insufficient clearance between a wiring harness bundle and the vehicle's frame. Insufficient clearance could lead to a touch condition between the wiring harness bundle and the vehicle's frame. Over time, this could damage the wiring harness bundle potentially resulting in an engine stall or limited anti-lock braking and roll stability control system functionality, increasing the risk of a crash.

TMC has included in this mailing the recall notification letter from Ford. Ford will be handling the repair of your vehicle at an authorized Ford dealer. The repair will include applying abrasion tape to protect the wire harness bundle free of charge (parts and labor). The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

If the referenced unit on this letter has been retail sold, you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

If you have questions about this Recall, please contact the Ford Customer Relationship Center at 1-866-436-7332 or www.Fordowner.com. For other concerns, you may contact the TMC Warranty/Service Department at (877) 855-2867 or Recalls@TMCRV.com.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

Hanah Klodzinski
Recall Compliance Coordinator
