Dear Parts Managers,

We will start shipping the felt sheets (Sheet, Hole Seal: P/N: 07AAL-THRA120) needed for Service Bulletin 20-047 “Noncompliance Recall: Gauge Control Module Software Update” that covers the access hole on the back of the gauge control module, to all of the dealerships starting this week.

Ordering the felt sheets (Sheet, Hole Seal) through the Special Tools Hotline is no longer necessary. Quantities have been calculated, based on volume and will be sent accordingly.

Thank you very much for your patience.

Best regards,
