Subject: Recall 20V-516 Headlamp Adjustment Plugs – Repair Updated

The repairs that were performed prior to November 17, 2020 may have been performed incorrectly, therefore, the campaign has been re-opened and the repair will need to be performed again. Please use the latest bulletin (B63 05 20) that is posted on TIS.

Customer notification letters have been sent out asking them to come back in for the repair.
