IMPORTANT SAFETY RECALL

Safety Recall: 20V-667 2020-531
December 28, 2020

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect, which relates to motor vehicle safety, exists in certain 2020 and 2021 Alante, Emblem, Vision, Vision XL, Precept and Precept Prestige motorhomes built on a Ford F-53 Chassis.

***Reason for
this recall***

The engine covers installed on some F-53 chassis do not contain appropriate insulation. Under certain operation conditions, and without the insulation material, the interior surface temperatures could exceed desirable levels, exposing occupants to unreasonable risk of injury.

***Recall
Remedy***

Addition of an insulation insert to provide the appropriate protection to occupants. All pertinent information regarding this recall is available [under the Applications > Recalls section of the website](#).

***What we
need you to
do***

Our records show the following unit is affected by this recall, and is part of the current inventory at your Dealership.

VIN

Before placing an order for the Recall Parts Kit, please confirm the unit serial number requires the Recall Remedy, using CASE RECALL LINES in Jayco Partners. The Instructions for the Recall Remedy are available under the Case Recall 20V-667 (US) and 2020-531 (CN) attachments.

Federal law requires the Recall Remedy completed on this unit prior to customer delivery.

If you sold this unit recently, please contact the owner immediately to inform them of this recall. In addition, please register this unit by submitting the Warranty Registration information. Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,
Compliance Management
Jayco Motorized Products
